25TH January 2021

To all of the children in the United Kingdom,

Due to the current health crisis the UK is facing, the Welsh Government have decided to host a contest for all children who are home schooling.

We understand that it is a tricky time at the moment, but we would like to ask children for their help.

Wales is a very proud country. We are proud of our language, our mountains and valleys, our coastline and of course the legendary rugby team. But one thing we take great pride in is our countries flag. Below is an image of the current flag.

What we are challenging children to do is, design a new dragon for our flag. Something that will show our countries strength, bravery and fighting spirit, especially during our current health crisis.

Let’s lift the Welsh spirit with wonderful dragons of strength.

Yours sincerely,

We had to create a dragon!

Now we need to write back and tell them why our dragon should go on the new flag.

To start our letter we need to write our home address and the date!

- Try to remember to write the address and date on the right side of your letter.

28th January 2021

After that, we need to say who we are writing to

- Now we can write on the left side of the page!

Left side

To the Welsh Government,

Next, we need to write our information!

- Tell Wales why they should pick your dragon for the new flag!
- Remember to describe the dragon!

To the Welsh Government,

I think you should pick my dragon for your new flag because…

What does it look like?

What does the dragon mean to you?

Why will your dragon make the Welsh flag one of the best flags in the world?

Finally we need to sign off our letter

- Start a new line and write on the right side again.

To the Welsh Government,

I think you should pick my dragon for your new flag because it has a large strong body with a red and green stripy belly. It has strong arms and colourful rainbow scales to say thank you to all the key workers who have helped us.

Yours Sincerely,

Mrs Amos

When you have finished, read through your letter and check you have your **capital letters** and **full stops**.
