We are all really excited that our climbing frame is now OPEN!
Please note the climbing frame is strictly out of bounds before and after school.
Calla from Indigo class opened the equipment this morning in honour of her dad. Calla’s dad, Graham, loved mountains – and he loved climbing. Graham died 2 and half years of ago because of a brain tumour. It’s very rare to get this illness so doctors don’t know much enough about it. We raised £500 from the cake sale this afternoon for people trying to understand more about brain tumours (The Brain Tumour Charity).

You may have seen this initiative advertised on the TV!
This week we have officially launched our 15 minute Daily Mile jog with the Y1 and Y2 children. The aim of the Daily Mile is to improve the physical, social, emotional and mental health and wellbeing of all our children regardless of their ability. Our aim is to jog four times a week around the playground or Kings Ground or maybe even on a school trip if we can! It really is jogging not running because it is not a race; it’s how to become healthier for yourself, not a competition within the class. So far everyone is enjoying our daily jog, even teachers are getting involved!
LEWISHAM FOODBANK

JAM AND NOODLES PLEASE!
That's right, we will be collecting jam (any flavour) and 'Supernoodle' style noodles (also any flavour) this term.

ZARA'S NEWS

YEAR 1 MAKE SEED BALLS
As part of their 'Global Gardeners' topic, Year 1 made seed balls this week with Zara. They used a mix of compost, clay and flour and put poppies, cornflowers and ox-eye daisy seeds in them that Zara had collected last year from Blackheath. These flowers are great for wildlife as well as being very pretty to look at so remember to get your child throw them somewhere for you to all enjoy!

Nearly New Uniform sale - Friday 11th May 2018
Thank you everyone for helping with this. Feedback has been that it was very successful and could we have it at least twice per year.

Mindful May

Next week’s Mindful Challenge is ‘Mindful Bodies’. Ask your child to show you their breathing exercises. Take time each day to notice how different parts of your body feel.

If you would like to see more of the learning across the school day, go to our instagram account stillnessinf. Twitter account: @stillnessinf

### English

- We will play games where we change our voices to make different sounds, for example, pop, buzz and ding.

Create stories with your child. Encourage them to describe the sounds the characters would hear and make, for example, a bee buzzing.

### Maths

- We will explore patterns as we create natural collage pictures.

Look at patterns in your home and in your local environment.
This week

Dates for your diary

Thursday 24\textsuperscript{th} May- Reception parents’ meetings- 9.15am and 6.00 pm

Wednesday 20\textsuperscript{th} June- Nursery Sports Day

Thursday 12\textsuperscript{th} July- Nursery Summer Concert- PM

Reception Stay and Plays

3.45pm

Thursday 21\textsuperscript{st} June

Wednesday 27\textsuperscript{th} June

Thursday 5\textsuperscript{th} July

Environment Centre Trip- 23\textsuperscript{rd} May

Your child will need a rucksack style bag (any bag that can be carried hands free) which contains a packed lunch, additional snacks if you child is often hungry and at least one re-sealable bottle of water.

They will also need a pair of wellies and clothing appropriate for the weather conditions on the day.

Thank you

Miss Burr (Ms Pryce on Fridays), Mrs Jones and Mrs Lochrane
