Websites crashing!

We've heard that some of the educational websites as listed above are crashing due to understandably high demand.
Keep on trying at different times of the day!

Thursday	Teach	Activities
<p>Phonics Phonic sounds the week: oy as in boy, ir as in girl, ue as in glue,</p> <p>Consonant blends: dr, gr, br, cr, fr.</p>	<p>Today's sounds are the blends 'dr', 'gr', 'br'. Write the blends down and say it together a few times, then have your child write them down 4 or 5 times (more, if they're in the mood!) and both say it each time your child writes it.</p>	<p>Warm up with a phonics flash card session from the website.</p> <p>Read these words that have the dr, gr and br blends in them. Drill, draw, drip, drop, dry Grin, grow, grill, green, grip Bright, brush, broom, brick, bring</p> <p>Write out the words, sounding out each word before they write it. Extend a finger for each sound and the blends do need a finger for each sound as they are separate sounds.</p>

		<p>Challenge Phonics Play – Select interactive resources from Phase 4 tab, then go to the game 'Buried Treasure' to revise the consonant blends from Phase 4. Click on 'revise all phase 4' when playing the game!</p> 
<p>English</p> <p>Book of the Week: The Lorax</p>	<p style="text-align: center;">Big Write Day Two!</p> <p>This will need all your child's English skills! Also, from the feedback we've got – this is certainly something you could split across several sessions or even several days.</p> <p>You'll need your Word Bank and your Story Map from the last few days as well as the double sided sound mat and the list of the Year One Common Exception words too!</p>	<p>So, pretty much just carry on from yesterday, probably a good idea to have your child read back what they wrote yesterday before they start.</p>
<p>Maths</p> <p>half</p> <p>whole</p>	<p style="text-align: center;">Flashback Four – Summer Week 1 https://whiterosemaths.com/homelearning/year-1/</p>	<p>For part 1, 2, 5 and 6 use your finger to tick the right answers on the screen and use your finger again to draw imaginary lines to complete the questions.</p>

1 Tick the cake that is cut in half.

2 Draw a line to split each shape in half.

5 Tick the shapes that show one half.

6 Match the halves to make a whole.

Questions 3 and 4 support
**See below.

3 Colour half of each rectangle.

4 Show one half in three different ways.

**If your adult can help you by drawing 4 rectangles split in half that would be great. Then you just need to colour them in. Please ask your adult for 3 squared pieces of paper so you can try and find a half in 3 different ways with those squares.
