

Friday May 15th - Home Learning

<p><u>Busy Things</u> busythings.co.uk username: home927 password: blue927 Some great educational games on there (including some parents may enjoy too!).</p>	<p>Twinkl log in: www.twinkl.co.uk/offer You will have to enter your email address and create an 8-character password. Use this code CVDTWINKLHELPS.</p>	<p>If you would like additional educational games and activities to support the phonics feel free to use Phonics Play. PhonicsPlay are offering free access. username: march20 password: home</p>
--	--	---

Websites crashing!

We've heard that some of the educational websites as listed above are crashing due to understandably high demand.
 Keep on trying at different times of the day!

Friday	Teach	Activities
<p>Phonics Phonic sounds the week: ew, oe, au, ey.</p>	<p>Recap day! Here are the word lists from the previous days – 'ew' - pew, new, knew, nephew, stew, view, grew, chew, threw, Andrew, blew, screw, flew. 'oe' – toe, foe, doe, woe, hoe, oboe, Joe. 'au' – haunt, sauce, jaunt, gaunt, launch, cause, pause, maul, haul, Paul.</p>	<p>Have either you or your child write out a selection of words from each of the 4 sounds we've covered onto small pieces of paper, then turn them over and mix them up. They can then turn them over one at a time and place them into a pile, or group, with the other words with that sound as they find them. As they turn them over, have them say the word and perhaps circle or underline the sound we're reinforcing with that word.</p>

'ey' – key, monkey, money, honey, valley, donkey, turkey, jockey, chimney, trolley.

English

Lifecycle poster time!

We'd like your child to make a simple poster of the lifecycle of a caterpillar.

Anyone who's read *The Very Hungry Caterpillar* should already be pretty familiar with it (except you don't see the butterfly laying eggs at the end...)

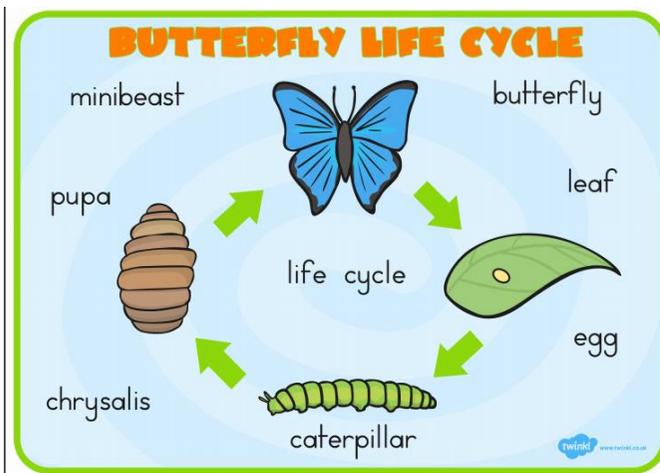

Here's a little PowerPoint to help you –

<https://www.twinkl.co.uk/resource/t-t-5221-butterfly-life-cycle-powerpoint>

(It's also up on the website.)

Here's a word mat to help you –

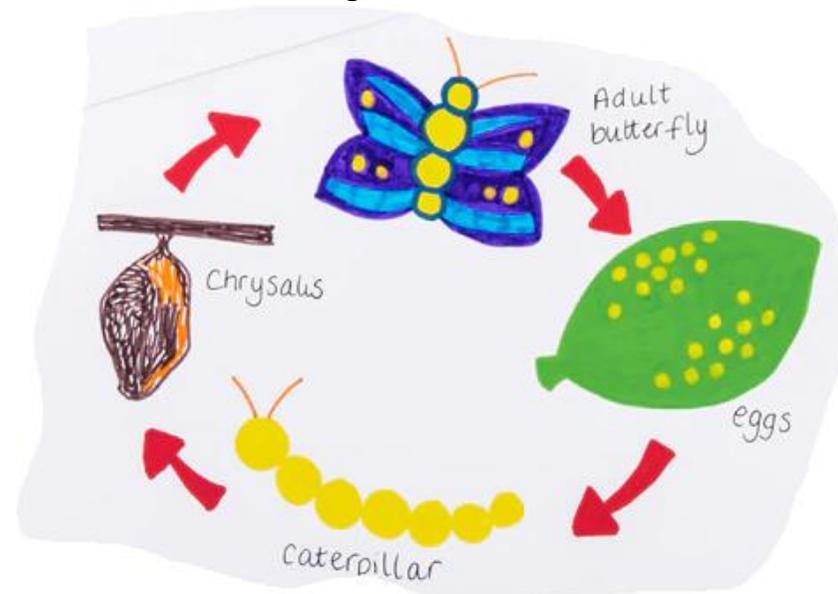

<https://www.twinkl.co.uk/resource/au-t-1400-australia---butterfly-lifecycle-word-mat>

(Also on the website.)

Your child could go into as much detail as they like, but keeping it simple is best.

It could look something like this:

If they really enjoyed that, which other lifecycles could they draw out?

Ladybird? Frog? Human?

Maths

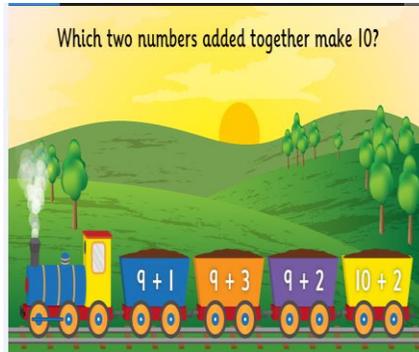

capacity

fill

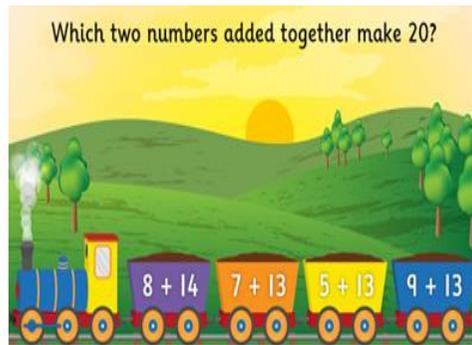

measure

To Start – Number Bonds of 10 or 20 Train

<https://www.topmarks.co.uk/maths-games/mental-maths-train>

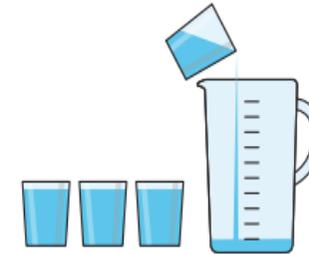

To activate the number bonds to **10 train** please click on the + tab and then find and click on the '**Bonds to make 10**'.

To activate the number bonds to **20 train** please click on the + tab and then find and click on the '**Bonds to make 20**'.

These ideas are for those who have not printed out the sheets since you can use your blue books or the screen itself for the tasks. 😊

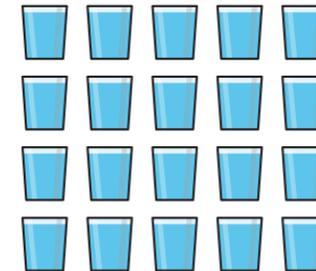

1 4 glasses of water fill 1 jug.

a) How many glasses will fill 2 jugs?

For part 1 have your child complete the sentence '**___ glasses will fill 2 jugs.**' In their books. If they wish to draw the 4 glasses and jug, feel free to do so.

b) Eva uses 20 glasses of water.

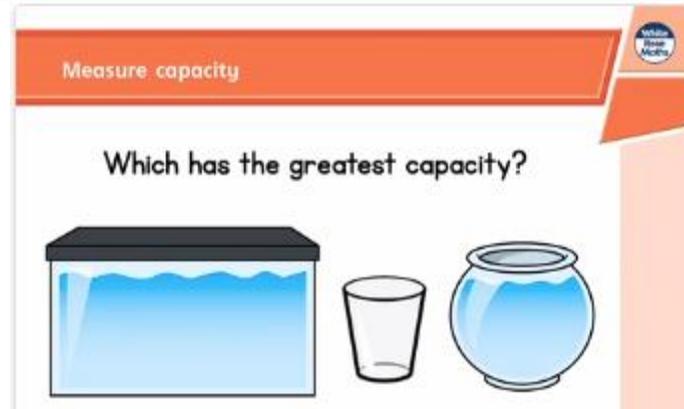

How many jugs can she fill?

Then have your child complete the sentence '**Eva can fill ___ jugs.**' in their books.

Measuring Capacity – Week 1

<https://whiterosemaths.com/homelearning/year-1/>

We will focus today on **measuring capacity** using the video clip to support the task.

There is time to explore **measuring capacity** and examples of today's activities.

You then get the chance to do some of your own in your blue book, practically or print them out if you are in a position to do so.

Do you agree with Tommy? Can you share why you think that?

Teddy pours these 6 glasses of juice.

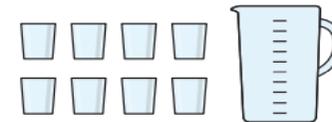

He uses a whole bottle of juice.

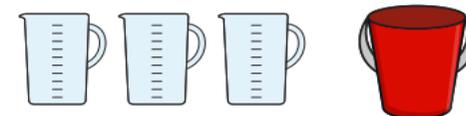

The bottle has a capacity of 6 glasses.

To finish

It takes 8 glasses of water to fill a jug.

It takes 3 jugs of water to fill a bucket.

Have your child **tell you or write down** how many glasses of water fill the bucket. What else can they find out? Jot it in your book.

Have a great weekend. 😊

Think Global! Act Local!

Art

As we know, plants come in all different shapes, sizes and textures. To celebrate these differences, your challenge for this week is to draw a plant of your choice using 3 different methods (see opposite).

For example, you could draw a daffodil 3 times using:

1. A pencil
2. Some crayons
3. Some paint

Can you think of any other ways to draw a plant?

Have a go and get creative!

Daffodil 3 ways.

Mounted together look great!

Pencil, paint and crayon / colouring pencils.

P.E.

To keep everyone feeling active this week, we invite you to try out interesting activities using things you may have at home throughout the week.

PE with Joe Wicks (Monday-Friday)
9am Live on YouTube, The Body Coach TV

**Find three things
that are...**

Hamster wheel

Get Set 4 PE.

Continue with your own version of the daily mile.

Find three things that are...

People: 2 or more

How to play:

- One person says 'find three things that are.... blue.' etc.
- The other person then has to collect three things that are blue and bring them back to that person.
- Make this harder by timing the person to see how long it takes them.
- Other things that could be collected include 'find three things that are.... spotty, start with the letter 'C', round, soft to touch.'

Play with more people by seeing who can collect the three items first.

Hamster wheel

What you need: Sellotape, newspaper,
1 or more players

How to play:

- Make a giant circle, big enough for all players to stand inside, by sellotaping the newspaper sheets together.
- All players stand inside the circle like hamsters in a wheel.
- Can you work together to move the newspaper like a wheel without it breaking?
- Option to play this 1v1. Make two wheels and have a race.

Communication is key!

	<p style="text-align: center;"><u>P.E.-Yoga</u></p> <p style="text-align: center;">If you feel like doing something more relaxing this week, try some calming Yoga.</p> <p style="text-align: center;">Follow Jamie on Cosmic kids, for some 'POKEMON' Yoga fun!</p> <p style="text-align: center;">Click on the link below:</p> <p style="text-align: center;">https://www.youtube.com/watch?v=tbCjkPlsaes</p>	
<p>Mindfulness</p>	<p style="text-align: center;">Feel free to make use of these websites if you and your child wish to partake in any Mindfulness activities.</p> <p style="text-align: center;">https://www.cosmickids.com/tag/zen-den/</p> <p style="text-align: center;">https://www.circus-house.com/</p>	
<p>Reading and Story time</p>	<p>Read for at least 10 mins. Can you find any words with the focus sounds in your book?</p> <p>Why not share a virtual story time together?</p> <p>All being well, one will be uploaded to the Year One page at 3.00pm today – the time we would be having stories in school.</p>	<p>Oxford Owl eBooks</p> <p>https://www.oxfordowl.co.uk/for-home/reading/</p>
