THURSDAY

Teach

Activities

MATHS

We will look at telling the time in hours; o'clock.

Look at a clock or watch. What do you notice?

Remember, the short hand tells us which hour it is.

Watch

<https://www.youtube.com/watch?v=1eGkW3JnthI>

Play What's the time Mr Wolf?

You could use a clock or a watch to show the time as you play.

Why not make your own watch or clock?

Now, practise moving the hands round the clock or watch.

PHONICS

See how many tricky and high frequency words you can read by playing Tricky Word Trucks.

Log in and then click on Resources and then Tricky Word Trucks.

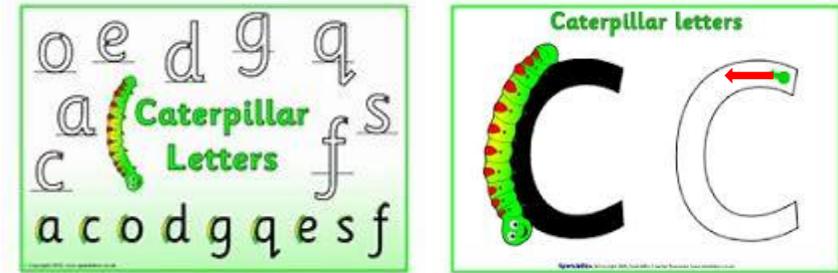

Select Phase 2 or Phase 3 Tricky or High Frequency words then read the word on each truck. Ask your grown up to check you have the right answer. If you do, press green for correct.

For a challenge, you could try Phase 4 words, but remember we have not learnt all of these yet so don't worry if you can only read a few of them. Well done for trying.

How did you get on?

Watch how to write curly caterpillar letters:

<https://www.bbc.co.uk/bitesize/topics/zgjj6sg/articles/zwnh4qt>

Hopefully it's a dry day and you can go outside to practise your curly caterpillar letters.

Find any kind of paintbrush. It can be one you use for your paintings, or one that is used to paint walls or wood. Get a pot of water and have a go at making the letters on the ground, on a wooden or brick wall or even on the pavement. Make sure you start your letters at the top and that your curl goes around the right way.
