Websites crashing!

We've heard that some of the educational websites as listed above are crashing due to understandably high demand.
 Keep on trying at different times of the day!

Thursday	Teach	Activities
<p>Phonics Phonic sounds the week: ew, oe, au, ey.</p>	<p>Today's sound is 'ey' as in 'key'. Write it down for your child to copy a few times, saying it as they do so.</p> <p>Some 'ey' words – key, monkey, money, honey, valley, donkey, turkey, jockey, chimney, trolley.</p> <p>Remember to keep up with this week's spellings: great, improve, many, most, kind, people, would.</p>	<p>With a word list like today's, how could you not want to do silly sentences?</p> <p>'Monkey rode the donkey to get honey.' 'The turkey fell down the jockey's chimney.'</p> <p>How many can your child come up with?</p>
<p>English</p>	<p>It's design time! Today we want your child to draw and label their very own mini-beast shoe!</p>	<p>Before they start drawing the shoe, have your child write the name of the shoe at the top of their paper, it</p>

Which mini-beast will they design the shoe for? Will it somehow reference the kind of beast they are? Something webby for a spider? Dotty for a ladybird? Laces or Velcro? High heels or flat? Any special features; hidden compartments or wheels?

Talk through your child's choices before they start.

could be something as simple as 'Shoe for a Spider' – or they could give it some kind of crazy name; 'Beetle Bopper Boots!' They can then draw their footwear out and then write some labels with arrows pointing to what they're describing. These could just words like 'Laces' or 'Web patterns' or it could give more details like; 'Velcro, to get on and off more easily.' 'Mini-torch light, to help you put them on in the night.'

Send any really good designs into Dragons Den.

Maths

To Start – Number Bonds of 10 or 20 Ping Pong

capacity

less

These ideas are for those who have not printed out the sheets since you can use your blue books or the screen itself for the tasks. 😊

For part 1 have your child describe the cups A to D using the labels along the side.

'Cup A is_____.'

A

empty

B

almost full

C

almost empty

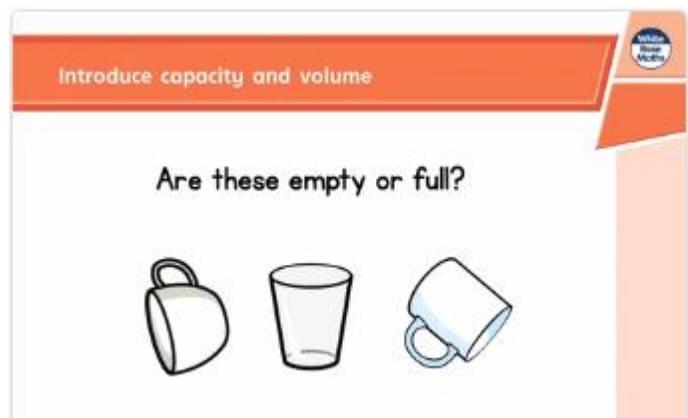

D

Capacity and Volume – Week 1

<https://whiterosemaths.com/homelearning/year-1/>

We will focus today on **capacity and volume** using the video clip to support the task. There is time to explore **capacity and volume** and examples of today's activities.

You then get the chance to do some of your own in your blue book, practically or print them out if you are in a position to do so.

Can you draw a cup to show almost full and almost empty?

Complete part 2 by completing the sentences using either less or more.

Music

Music time!

For music this week, check out Mr Grimes music link! You can find it on the school website, in the home learning folder or just use the link below. Here you will find a variety of songs that you can listen to and learn.

<https://stillnessinfantmusic.com/>

Your task today will be to try to learn a new song and then show your family how amazing you are at singing (you could even make a video). You may want to learn more than one – happy singing everyone!

P.E.

To keep everyone feeling active this week, we invite you to try out interesting activities using things you may have at home throughout the week.

**Find three things
that are...**

Hamster wheel

**PE with Joe Wicks (Monday-Friday)
9am Live on YouTube, The Body Coach TV**

Continue with your own version of the daily mile.

Find three things that are...

People: 2 or more

How to play:

- One person says 'find three things that are.... blue.' etc.
- The other person then has to collect three things that are blue and bring them back to that person.
- Make this harder by timing the person to see how long it takes them.
- Other things that could be collected include 'find three things that are.... spotty, start with the letter 'C', round, soft to touch.'

Play with more people by seeing who can collect the three items first.

Hamster wheel

What you need: Sellotape, newspaper,
1 or more players

How to play:

- Make a giant circle, big enough for all players to stand inside, by sellotaping the newspaper sheets together.
- All players stand inside the circle like hamsters in a wheel.
- Can you work together to move the newspaper like a wheel without it breaking?
- Option to play this 1v1. Make two wheels and have a race.

Communication is key!
