Websites crashing!

We've heard that some of the educational websites as listed above are crashing due to understandably high demand.
 Keep on trying at different times of the day!

Tuesday	Teach	Activities
<p>Phonics Phonic sounds the week: ew oe, au, ey.</p>	<p>Today's sound is 'oe' as in toe. Write it down for your child to copy a few times, saying it as they do so.</p> <p>The 'oe' sound can be found in – toe, foe, woe, hoe (good for gardening!) oboe, Joe.</p> <p>Remember to keep up with yesterday's spellings: great, improve, many, most, kind, people, would.</p>	<p>You could have a go on Phonics Play and set which ever game you play to use 'oe' words.</p> <p>So, when you go into to 'Buried Treasure' for example, click on Phase 5, then on 'oe' for lots of words, nonsense and real, for that sound.</p>

English

Story of the Week – Caterpillar Shoes

Following on from yesterday's comprehension, the children are going to now write out some answers to comprehension questions out as full sentences.

To help them with their sentences, have them say out loud what they're going to write out a few times before writing it down.

As your child writes, remind them about their capital letters at the beginning of their sentences and for names and their full stops at the end of the sentence if they sometimes forget.

It's probably worth watching the story again before you start:

<https://www.literacyshedplus.com/en-gb/resource/caterpillar-shoes-ks1-activity-pack>

Are there any of the spellings from this week (or indeed last week) that your child could use?

Ask your child to imagine that you are the shiny beetle.

Then answer these questions pretending to be the beetle using full sentences:

How did you feel when the caterpillar gave you your shoes?

Why?

What have you been doing with your new shoes?

What do you do with your new shoes when you go to bed?

Now ask your child to imagine that they are the flea and answer these questions using full sentences:

How did you feel when the caterpillar gave you (and your family) the shoe? Why?

Describe what it is to like to live in your new shoe.

Maths

mass

weigh

measure

balance

To Start – Splat Square Counting

<https://www.primarygames.co.uk/pg2/splat/splatsq100.html>

Using the splat square count back in 1s from 50 to 1 then continue counting back in 1s. Do try to start in random places so it could be

from:

33 back to 15

45 back to 25

43 down to 29

26 down to 6

Feel free to do this about 5 times

1	2	3	4	5	6	7	8	9	10	
11	12	13	14	15	16	17	18	19	20	
21	22	23	24	25	26	27	28	29	30	
31	32	33	34	35	36	37	38	39	40	
41	42	43	44	45	46	47	48	49	50	
51	52	53	54	55	56	57	58	59	60	
61	62	63	64	65	66	67	68	69	70	
71	72	73	74	75	76	77	78	79	80	
81	82	83	84	85	86	87	88	89	90	CLEAR
91	92	93	94	95	96	97	98	99	100	PRINT
										MAIN

These ideas are for those who have not printed out the sheets since you can use your blue books or the screen itself for the tasks. 😊

With part 1 have your child copy out and complete the sentences for what the banana, tennis ball and slice of cake weigh.

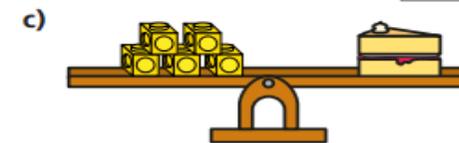

1 How much does each object weigh?

The banana weighs cubes.

The tennis ball weighs cubes.

The slice of cake weighs cubes.

Measure Mass – Week 1

<https://whiterosemaths.com/homelearning/year-1/>

Measure mass

What can you tell me?

We continue with **mass** using the video clip to support the task.

There is time to explore **measuring mass** and examples of today's activities.

You then get the chance to do some of your own in your blue book, practically or print them out if you are in a position to do so.

For part 2 have your child draw out the scale and add the cubes to balance it.

a) The toy car weighs 6 cubes.

b) The sweets weigh 4 cubes.

To finish

For all unless you have balancing scales at home(“,) What might **weigh 5 cubes if the **toy car is 6 cubes** and the **sweets are 4 cubes**? Draw your choice and the cubes on the scales in your book. Feel free to send in pictures of your choices. 😊

Think Global! Act Local!

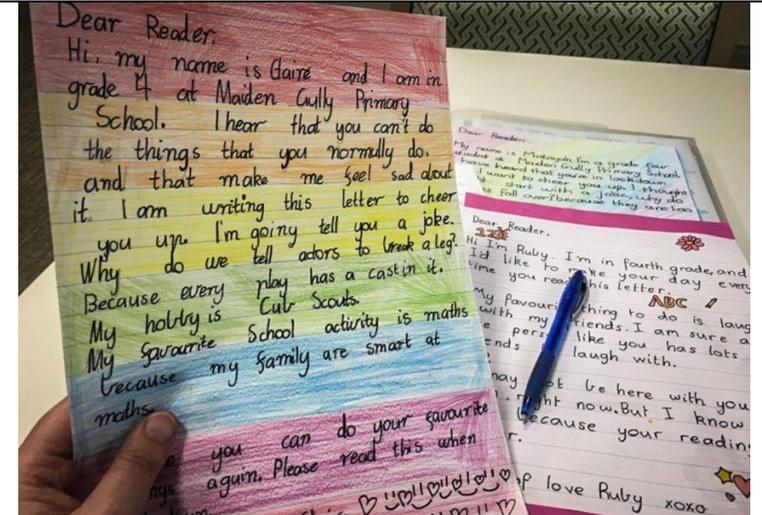

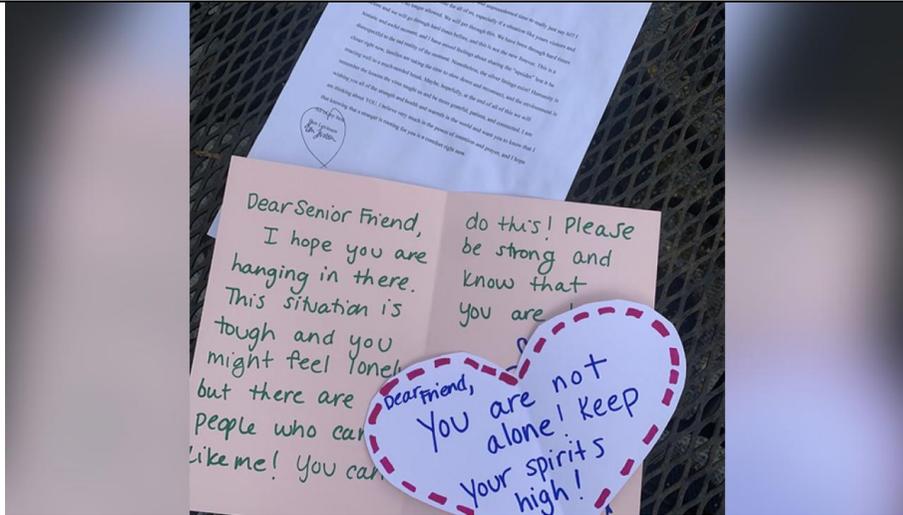

VALUES

Friendship is a very important aspect for all of our lives and (especially in the current climate) we are all beginning to realise just how important those bonds are. Whilst some people are lucky enough to have family and friends nearby, others are feeling very lonely at the moment and desperately need a friend.

“What can we do to help?” I hear you cry!

Therefore, to celebrate our value of friendship, we would like as many children as possible to create a card or write a letter to cheer up a resident at **The Glebe House Care Home** in Lewisham. The people who live there are not allowed to see their family or friends and so will be thrilled to receive something special from all of you.

Below are some examples of a letter to an older person. You could tell the reader something interesting about yourself; your favourite sport, what you are doing to keep busy at home or about your lovely school! You can also make the paper as colourful as you like and maybe draw a picture for your new friend. If you get stuck for ideas, ask your adults to help you. Be creative and have fun making new friendships.

Please send in all of your creations into the school office and we will forward them onto the care home.

Thank you all very much!

P.E.

To keep everyone feeling active this week, we invite you to try out interesting activities using things you may have at home throughout the week.

Find three things that are...

Hamster wheel

PE with Joe Wicks (Monday-Friday)
9am Live on YouTube, The Body Coach TV

Continue with your own version of the daily mile.

Find three things that are...

People: 2 or more

How to play:

- One person says 'find three things that are.... blue.' etc.
- The other person then has to collect three things that are blue and bring them back to that person.
- Make this harder by timing the person to see how long it takes them.
- Other things that could be collected include 'find three things that are.... spotty, start with the letter 'C', round, soft to touch.'

Play with more people by seeing who can collect the three items first.

Hamster wheel

What you need: Sellotape, newspaper, 1 or more players

How to play:

- Make a giant circle, big enough for all players to stand inside, by sellotaping the newspaper sheets together.
- All players stand inside the circle like hamsters in a wheel.
- Can you work together to move the newspaper like a wheel without it breaking?
- Option to play this 1v1. Make two wheels and have a race.

Communication is key!

	<p style="text-align: center;"><u>P.E.-Yoga</u></p> <p>If you feel like doing something more relaxing this week, try some calming Yoga.</p> <p style="text-align: center;">Follow Jamie on Cosmic kids, for some 'POKEMON' Yoga fun!</p> <p style="text-align: center;">Click on the link below:</p> <p style="text-align: center;">https://www.youtube.com/watch?v=tbCjkPlsaes</p>	
<p>Mindfulness</p>	<p style="text-align: center;">Feel free to make use of these websites if you and your child wish to partake in any Mindfulness activities.</p> <p style="text-align: center;">https://www.cosmickids.com/tag/zen-den/</p> <p style="text-align: center;">https://www.circus-house.com/</p>	
<p>Reading and Story time</p>	<p>Read for at least 10 mins. Can you find any words with the focus sounds in your book?</p> <p>Why not share a virtual story time together?</p> <p>All being well, one will be uploaded to the Year One page at 3.00pm today – the time we would be having stories in school.</p>	<p>Oxford Owl eBooks</p> <p>https://www.oxfordowl.co.uk/for-home/reading/</p>
