Dear Parents and Carers of Y1 children,

A huge thank you to everyone who has sent in good wishes, messages, and cake! during the last few weeks. It is greatly appreciated by all of our staff.

We are pleased to inform you that we are fully prepared to open the school on Monday 1st June initially to Y1 children, depending on Government guidance which should be issued on 28th May.

We recognise that there are many views amongst our families about whether this is the right time for your child to return to school. We fully understand and respect your decision to keep your child at home. No attendance will be monitored at this time. To the parents who have decided that their children will be safe in school, we would like to reassure you that we will do everything in our power to keep all the children safe and healthy.

The great Stillness team have been working hard on our recovery plan, and we would like to share it with you all (see attached guidance for Y1). Having the information about how we will keep your children safe, may help you make an informed decision about whether to send your child or not.

If you have already made the firm decision to **not** send your child into school, it would be very helpful if you could email the office. This will help us in our planning to deploy staff effectively.

If you do have any questions, please email us and we will do our best to help.

We will confirm the arrangements with you at the end of next week, once we have updated guidance, and look forward to welcoming many of you back into school as soon as possible.

Take care and keep safe,

Mrs Grimes and Mrs Bannister
