

Foundation Subjects: Science, Art, Geography and PE

Choose one of these subjects each day to complete in the afternoon.

Teach		Activities
Science	<p>Outcome: LO: To be able to understand the impact deforestation has on an animal's food chain.</p> <p>Can you remember what deforestation means? Deforestation means lots of trees in a big area are being cut down.</p> <p>Today we are going to look at how deforestation affects orangutans.</p> <p>https://www.youtube.com/watch?v=qmRaN5OcQZs</p> <p>Watch this quick clip about food chains.</p> <p>http://www.bbc.co.uk/education/clips/z8hxp4</p> <p>Next read through the ppt all about food chains. Can you think of other food chains of different animals?</p>	<p>1) Draw the food chain for an orangutan in your books or on the worksheet provided.</p> <p>2) Next write some sentences explaining the effects deforestation has on the food chain of an orangutan. What will happen if there are no trees left? What will happen to the other animals in the rainforest? What would happen to them if people continued to chop down the trees? Then they wouldn't have any fruit or nuts to eat. Then talk about the effect to the animal further on in the food chain. How would affect the Tiger?</p> <p style="text-align: center;">Extension</p> <p style="text-align: center;">If you would like to learn more about orangutans then here are some useful websites:</p> <p style="text-align: center;">https://kids.nationalgeographic.com/animals/mammals/orangutan/</p>
Art	<p>Outcome: To draw an orangutan</p> <p>This week we will be learning to draw a orangutan! Did you know orangutan means 'man of the forest' in Malay. These awesome animals live in the Borneo and Sumatra. Baby orangutans live with their mothers up</p>	<p>We are going to learn how to draw an orangutan. Remember to send in your pictures. We would love to see them.</p> <p>https://www.youtube.com/watch?v=T8KCbYc7IB0</p>

	<p>until they are 8 years old. Fruit makes up 60% of an orangutans diet, but they also eat shoots, leaves, insects and bark along with the occasional egg.</p>	
<p>Geography</p>	<p>Outcome: To understand the effects of deforestation on orangutans.</p> <p>Today we are going to look at the effect's deforestation has on Orangutans. Read through the PowerPoint and have a look at the web links. If you would like to know more, have a look at the WWF and National Geographic along with the Orangutan Foundation.</p>	<p>Have a look at the Powerpoint explaining why orangutans are endangered. For a challenge you could do some of your own research.</p> <p>https://www.orangutan.org.uk/orangutans</p> <p>https://www.worldwildlife.org/stories/where-do-orangutans-live-and-nine-other-orangutan-facts</p> <p>https://www.wwf.org.uk/success-stories/planting-future-orangutans-and-people</p> <p>Activity</p> <p>Make a poster using the information you have found out.</p> <p>Include the following information:</p> <p>Why is the orangutan critically endangered? How can humans help?</p>

		<p>Where do orangutans live?</p> 
<p>PE</p>	<p>Have a go at Stella the stick insect cosmic kids yoga.</p> <p>https://www.youtube.com/watch?v=wBdMZMEKq-s</p> <p>Try Andy's rainforest wild workout.</p> <p>https://www.youtube.com/watch?v=67zBQyX3etY</p>	
	<p>Keep sending in your leavers messages, favourite memories and words of thanks. Don't forget to keep practicing the two songs:</p> <p>A Million Dreams: https://www.youtube.com/watch?v=-rxgAh1bnHU When I Grow Up: https://www.youtube.com/watch?v=96JDkl2tBhI</p> <p>We would love to put together a video for you all to leave Stillness Infants with some special memories on tape!</p>
