## Next Week in Nursery Week Beginning 9<sup>th</sup> November 2020

### Maths

We will be counting, recognising and ordering numbers from 1-5, then 1-10.

Try labelling some building blocks with numbers (on a sticker or post-it note) and see if your child can build a tower with them, starting with 1 at the bottom and building up with the numbered bricks in the right order.

For a counting challenge, try counting from different numbers, for example:

4-8 and stop

2-7 and stop

Can your child remember where to begin and stop?

You can make it funny by using different voices, for example, a squeaky voice, a whispery voice, a shouty voice.

### Other

We will learn a little about Remembrance Day on Wednesday 11<sup>th</sup> November and look at the whole-school artwork to spot Rainbow class's poppies.

On Friday 13<sup>th</sup> November we will take part in Children in Need activities. Children can come in wearing spots or bright colours and bring in a donation to help us raise money for Children in Need. Thank you

The Hindu festival of Diwali is on Saturday 14<sup>th</sup> November. We will learn about the Diwali story and some of the things people may do to celebrate.

REMEMBRANCE DAY

**Next Week in Nursery  
Week Beginning 9<sup>th</sup> November 2020**

If your child would like to, please bring in or email a photo of who lives in your home for the children to share with the class. This can include your family and pets if you have any. We would also welcome a photo of their homes, perhaps a picture of the outside or front door. These will be used for class discussions.

We will continue to support the children to put their coats on independently. Please practise this at home.

Please remember to name all clothing, including coats, hats, gloves, scarves etc.

Thank you

Nursery Team 😊
