and Succeeding Together**

*A value is a principle  
that guides our  
thinking and  
behaviour*

*Let's reflect on how thinking  
about **Forgiveness**  
did this?*

# KINDNESS

# KINDNESS

Consideration and  
concern for others

# KINDNESS

Acts of kindness don't  
only benefit the  
**receivers** of the  
kindness, but also the  
**givers**

**Think about how you feel when  
someone is kind to **you**...**

**Think about how you feel when you  
are kind to **someone else****

Do you think YOU can help to make the  
world a KINDER place?

**LET'S GO FOR IT!**

As we reflect, think about  
how **KINDNESS** makes the  
world a better place to be.

Think about how you can show  
kindness to people and living  
things in the world.

Do you have to like someone to show them KINDNESS?

What could happen when people don't show KINDNESS to each other?

Think about a situation where someone is upset.  
Is 'UNKINDNESS' at the root of the problem?

Why is it very hard to show KINDNESS sometimes?

Would the world be different if people were more KIND?

How could KINDNESS change YOUR own world?

The Peace and Love Train

A graphic of a rolled-up scroll with a light beige, textured surface and dark brown binding at the top and bottom. The scroll is unrolled in the center, revealing text in a bold, black, sans-serif font. The text is arranged in five lines, with the first two lines forming a sentence and the next three lines listing three items, all of which are identical.

**Three things in  
human life are important:  
the first is to be kind;  
the second is to be kind;  
and the third is to be kind.**

A single  
act of  
kindness  
throws  
out roots  
in all  
directions  
and the  
roots  
spring  
up and  
make  
new trees.
