

# Friday January 22<sup>nd</sup> Remote Learning

Friday	Teach	Activities
<b>Phonics</b>	It's flashcards! The children have been doing phonics flash cards in one way or another for a number of years, so shouldn't be an issue.	Have your child watch the video calling out the sounds before Mr McKinlay does. Pause if needed. Are there any sounds your child's forgotten? If so, you could make a (hopefully short) list and practise them. You could write them out on pieces of paper and have the stuck up around your home.
	<p><b>Spellings:</b> after, break, child, children, door, eye, hour, improve, money, prove.</p> <p><b>Older spellings:</b> could, would, should, every, everybody, fast, last, find, kind, past, old, cold, gold, hold, told, bath, path, class, pass, any, many.</p>	Friday spelling test! Ask your child to spell each word without looking. How many did they get right? They can note down any they haven't mastered yet in the back, so they can keep working on them!
<b>English Focus:</b> Poems <b>Pages:</b> 72 - 73	It's poems today! We've done some work on poems in class over the last year and a bit, but the children might need reminding what a poem is. Before watching the video, you could always have a chat about what they think a poem actually is.	Watch the introductory video, work through the questions on page 73, then come back for some answers and the challenge. Today's challenge – Have a crack at an acrostic poem! A simple one for Friday, following on from today's work and getting warmed up for next week's Moon poem work, write a short acrostic poem of a subject of your choice – a pet or food are two nice easy ones. See the video for more details!
<b>Maths Focus:</b> Money	Today we will continue to look at <b>Comparing Money</b>	Have your child continue to watch my video for today's session and then have them give the activities on the flip

**Vocabulary/  
key words:**

Total

Value

Compare

**Greater than >**

**Less than <**

**The same as/**

**Equal to =**

Ordering

The video below will be a reminder about **Comparing Money** for your child to watch.

<https://whiterosemaths.com/homelearning/year-2/week-11-measurement-money/>

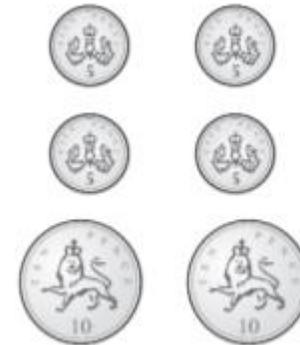

**Adults** there is no harm starting from the beginning or start from 1:23 with the Let's Learn screen. Skip from 06:26 to 06:31 then continue the video. Feel free to end on 08:17.

chart a go in their books. They can be recorded easily into their book. I will show them how. 😊

When your child completes their activities, see if they can tackle the challenge below to finish. It is within the flipchart.

Four 5 pence coins are worth more than two 10 pence coins. Do you agree? Explain why.

Have them share their answer with your or have them jot it down into their book.

Have them then watch my follow up video for the answers. 😊

**Afternoon  
Foundation  
Activities  
P.E.**

We will be using the 'Get Set 4 P.E.' website to support our Physical Education this term. The ideas will be drawn from the tab at the top of the website labelled 'Active Families'.

It can be opened here: <https://www.getset4pe.co.uk/ResourceBank/ResourceCategory/1002>

**Cross the swamp**   
Get Set 4 P.E.

**What you need:** Some toys and two pillows

**How to play:**

- Players place their toys 8m away from a start line. This could be in another room if playing indoors.
- Players imagine that the space between the start line and their toys is a swamp.
- To rescue their toys they must use the two pillows to cross the swap and retrieve one toy at a time.
- They cannot touch the swamp. How many toys can they rescue in 4 mins?

**Watch out for the cros!** 

Have a go and see if you can make it across the swap without losing any toes- Snap! Snap!

Feel free to take a look at any others that might interest you as the 'Creative Games' have been looked at this week.

The website has an Active Calendar, which is below. If you can try to note down on it or simply cross off the day on a calendar, you have at home when you have been active. Joe Wicks returning may well help with that. 😊 Download your active calendar here if you would like one: <https://www.getset4pe.co.uk/resourcebank/viewresourcefile?id=12127>

## Physical Education idea

Joe Wicks is back at **9am Monday, Wednesday and Friday with 20 minutes** of exercise so have a work out with Joe wicks by clicking on the link below. Enjoy!

<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>

Why not try some Space Yoga? Click on the link below and see if you can complete it all:

Feel free to continue with your own version of the daily mile or continue to tackle the Daily Mile Bingo card of activities.

The good old 'beans' on the spot activities are an option too as in the runner bean, baked bean, French bean, broad bean and string bean.

<https://www.youtube.com/watch?v=v9W8iV4AJYQ>

## Mindfulness

Try to have some time to relax in your busy day by watching this Mindfulness video. Give it a try- you will be feeling relaxed in no time!

<https://www.youtube.com/watch?v=Wsy2L9VvX90>

## Reading and Story time

Read for at least 10 mins. Can you find any words with the focus sounds in your book?

Why not share a virtual story time together?

**All being well, stories by your class teacher will be uploaded to the Year Two page each afternoon.**
