

Friday January 29th Remote Learning

Friday	Teach	Activities
Phonics	<p style="text-align: center;">Flash card Friday returns!</p> <p>The phonics we were trialling was designed to be taught over 4 days and so we have a spare day, so the flash cards are back. As this type of phonics has proved a hit, (we got a lot of good feedback through Class Dojo almost as soon as the first one went live) we'll be carrying on with it and developing it further and it will move to a 5-day structure as of next week. Let us know through Dojo if there are any bits you want more or less of, as these were initially all activities designed to carry out in class, some may not work as well at home.</p>	
English Focus: Ending sentences Pages: 22 - 23	<p>Ending sentences today – this is something we've gone over a lot, so shouldn't be too much of an issue. I think the only part to watch, is the identifying which are the questions.</p>	<p>Watch the introduction, work through the three sections and then come back for the answers and the challenge. Today's challenge is to write sentences that need each of the different endings. So, some will need full stops, some will need question marks and some will need exclamation marks. See the video for more detail.</p>
Maths Focus: Multiplication CGP BOOK Pages: 32 - 33 Vocabulary/ key words:	<p>This week we have been focusing on Multiplication.</p> <div style="text-align: center;">  </div> <p>Can the children remember the 2 multiplication sentences from yesterday that this train explained? My video will give the answer to check.</p>	<p>Have your child watch my introduction to today's session which goes through page 32 so they can then give the activities on page 33 a go on their own. Question 2 should be straight forward with 1 and 3 being a bit harder but do have your child give them a try. Then continue with my video which has a few more activities to tackle on their own on the flip chart within it.</p>

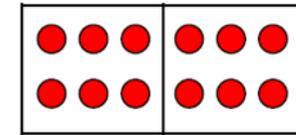

Multiplying
X
Symbol
Times
Equal
Groups
There are...
Each
How many...?
Altogether
Commutative

We have revisited **recognising, making and adding equal groups** so far. The children then looked at **multiplication sentences using the x symbol** and **used the multiplication symbol x to work out the total from pictures.** 😊

We will finish the week by using page 32 to think about **multiplying** today. There will be an introduction of the **number line** to help **multiply** today too. They have used it before to add and subtract.

When your child completes their activities and feels like completing a further challenge, why not have them tackle the activity below in their books. It is also within the flipchart.

The total is **12**, what could the **addition** and **multiplication** be?

Have your child then watch my follow up video for the answers. 😊

Afternoon Foundation Activities

We will be using the 'Get Set 4 P.E.' website to support our Physical Education this term. The ideas will be drawn from the tab at the top of the website labelled 'Active Families'.

It can be opened here: <https://www.getset4pe.co.uk/ResourceBank/ResourceCategory/1002>

This week we will be playing:

Sardines

People: 3 or more

How to play:

- One person hides.
- All other players count to 60 together, they are the seekers.
- The seekers attempt to find the hider.
- If they find the hider, they hide with them.
- The last person to find everyone hides first on the next round.

Have you ever wanted to feel like a sardine in a tin?

Well now you can with this family friendly game that can be played by all!
Helpful tip- try to hide in large spaces!

Feel free to take a look at any others that might interest you as the 'Creative Games' have been looked at this week.

**Physical
Education
idea**

Joe Wicks is back at **9am Monday, Wednesday and Friday with 20 minutes** of exercise so have a work out with Joe wicks by clicking on the link below. Enjoy!

Mindfulness

Try to have some time to relax in your busy day by watching this Mindfulness video.
Give it a try- you will be feeling relaxed in no time!

The Owl and the Guard dog.

<https://www.youtube.com/watch?v=so8QN9an3t8>

**Reading and
Story time**

Read for at least 10 mins. Can you find any words with the focus sounds in your book?

Why not share a virtual story time together?

All being well, stories by your class teacher will be uploaded to the Year Two page each afternoon.
