Watch – Independent viewing

Mrs Micklethwaite goes out and about and talks about how to stay safe when we are near the road.

Activity – Parent input required

You will need your exercise book, a pencil and some colouring pencils.

What have you learnt about being safe when you are out and about? How can you share what you have learnt with others?

Can you make a road safety poster? Can you make it bold and bright, use pictures and give it a catchy title? Your poster needs to stand out so that people will want to stop and read it.

Perhaps you could put it up in your window to encourage people to be safe on the road?
