

Wednesday February 10th Remote Learning

Wednesday	Teach	Activities
Phonics	Words of the week: Old, gold, cold, find, mind kind. Words of the week to start and then we'll do some sentence level dictation using the 'soft g' sound.	
English Focus: Workouts 1 and 2	Workouts 1 and 2 today. No major teach for each of these workouts, they're a mix of a lot of different skills, so just jump in – watch the introductory vid and then come back for some answers!	For the challenge, we'd like you to do a spot of editing on the story ending you wrote yesterday – see the answers vid for more details.
Wednesday Maths Focus: Dividing by 2 and Odd and Even numbers Vocabulary/ key words: Two Divide Equal	As part of Division today we will look at Dividing by 2 along with Odd and Even numbers.  https://whiterosemaths.com/homelearning/year-2/spring-week-4-number-multiplication-and-division-2/	After your child has completed their activities on Dividing by 2 have them now continue to watch my video for the second part of today's session which on Odd and Even Numbers . There is a ' Get Ready ' starting video today that you might have your child go through first. If you wish to go straight to the main part, of the video please start on 01:56 with an ideal time to finish being 07:32 . <i>If you wish to keep going feel free it finishes on 11:00.</i>

<p>Unequal Odd Even Remainders Shared between ÷</p>	<p>There is a 'Get Ready' starting video today that you might have your child go through first. If you wish to go straight to the main part of the video please start on 01:43.</p> <p>There are parts built in to pause at that the children can give a go verbally unless they wish to write anything down or show with small objects to support the learning <i>but they do not have to.</i> The answers are then given too. The parts that mention the worksheet don't stay on the screen for too long. I suggest to stop at 07:47 and then move onto the my main video and a few activities on .</p> <p>If you wish to keep going and have your child experience more with problem solving activities using number lines and a missing number problem feel free to do so. A good point to end is at 11:34.</p>	<div data-bbox="1534 108 1960 363" data-label="Image"> </div> <p>My video will include one more activity for them to tackle on their own using my flip chart on the screen. They can be recorded easily into their book. I will show them how. 😊 When your child completes their activities and feel like completing a further challenge, why not have them tackle the activity below in their books. It is also within the flipchart.</p> <div data-bbox="1489 783 1951 1007" data-label="Text"> <p>Tommy says that when he adds two odd numbers together, his total will be even.</p> <p>Is he correct? Convince me.</p> <div data-bbox="1691 837 1926 938" data-label="Image"> </div> <p>What else can you find out?</p> </div> <p>Have your child then watch my video for the answers to see how they have got on. 😊</p>
<p>Afternoon Foundation Activities</p>	<p>Outcome: To create a poster about people who have developed useful new materials.</p>	<p>Task 1 – Your task will be to watch the 4 different PowerPoints. Each one will tell you about a different inventor, who they were, what they invented and what items are made from these materials.</p>

Welcome back to another science lesson!
**This week we will be finding out about inventors
who discovered different materials.**

**We use many different materials in our everyday lives,
such as plastics, wood, metals and glass.**
**Some of these materials are natural while others have
been invented. Today we will take a look at just 4 of
these inventors and look at the materials they created.**

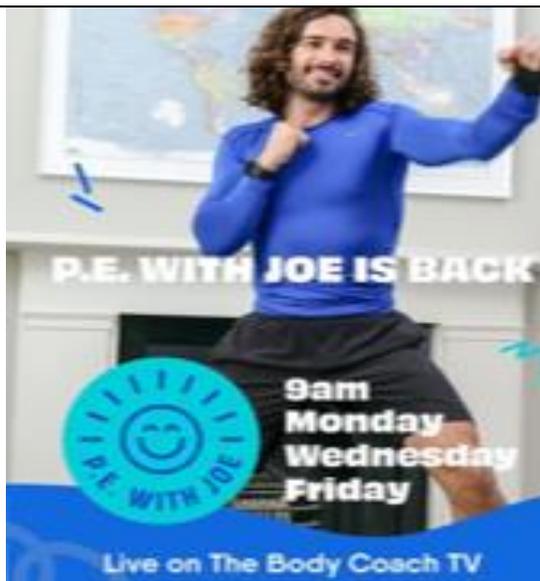

Task 2- Choose your favourite inventor or material and create a poster about them on A4 card or paper. You may want to draw their name in bubble writing and include the date and place they were born. You may also want to draw some of the objects that are made from material, e.g. Charles MacIntosh's invention can be found in umbrellas and wellington boots!

Make your poster as colourful as possible!

Physical
Education
idea

Joe Wicks is back at **9am Monday, Wednesday and Friday with 20 minutes** of exercise so have a work out with Joe wicks by clicking on the link below. Enjoy!
<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>

We will be using the 'Get Set 4 P.E.' website to support our Physical Education this term. The ideas will be drawn from the tab at the top of the website labelled '**Active Families**'.

Try to have some time to relax in your busy day by watching this Mindfulness video. Give it a try- you will be feeling relaxed in no time!

[Meet Mini the puppy!](#)

It can be opened here:

This week we will be playing:

Squat and shoot

What you need: 2 balls or pairs of socks, two pots, two plus players.

How to play:

- Each player has a ball. They begin 3-4 steps away from the pots.
- Players race to throw their ball into one of the pots. First to four successful throws wins the round.
- In between each throw you must complete 10 squats.
- In the next round change the exercise you need to complete in between the throws.

Make this easier by using a bigger pot.

Who won the most rounds?

See how many different exercises you can do for each round, e.g. running on the spot, star jumps, spins etc and something to consider, most importantly when doing squats....

https://www.youtube.com/watch?v=K7FUbtac_ds

...how low can you go?

Mindfulness

Try to have some time to relax in your busy day by watching this Mindfulness video.
Give it a try- you will be feeling relaxed in no time!

Hello everyone!

This week Jamie is using [Sonic the Hedgehog Yoga](#) to keep fit and healthy. Can you keep up?

Click on the link below and have fun!

[Sonic the Hedgehog | A Cosmic Kids Yoga Adventure! - Cosmic Kids](#)

Reading and Story time

Read for at least 10 mins every day.

Can you find any new words with the focus sounds in your book?

Why not share a virtual story time with a friend?

Or play chess over zoom with your grandparents?

Oxford Owl eBooks

<https://www.oxfordowl.co.uk/for-home/reading/>

All being well, stories by your class teacher will be uploaded to the Year Two page each afternoon.
