In May, we will be exploring the value of

RESPECT

RESPECT

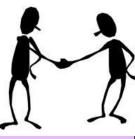

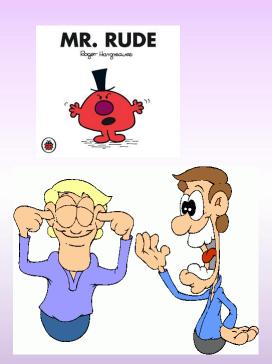

You can <u>have</u> respect for someone because you admire something about them

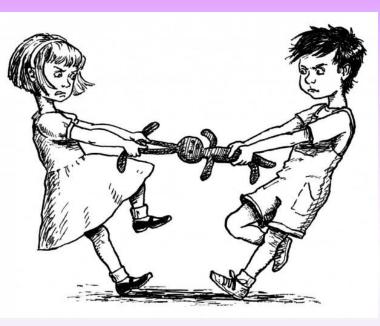

You can *have* respect for someone's feelings, their wishes or their rights

You can *have* respect for things other than humans or things that aren't living

Why should we have <u>RESPECT</u>?

We can't expect to be respected unless we show <u>RESPECT.</u>

How can we caring show listening following RESPECT rules trusting respecting ourselves keeping promises being reliable being punctual being polite being fair

RESPECT?

Who do you RESPECT – and why?

We are gentle.

We are kind and helpful.

We are honest.

We work hard.

We listen.

We look after our property.

https://www.youtube.com/watch?v =GOzrAK4gOSo Do you have to like someone to show them RESPECT?

What could happen when people don't show RESPECT to each other?

Think about a situation where someone is upset. Is 'DISRESPECT' at the root of the problem?

Why is it very hard to show RESPECT sometimes?

Would the world be different if people were more RESPECTFUL?

How could RESPECT change YOUR own world?

As we reflect, think about how important it is to show **RESPECT** to everything in the world around us.

Think about how <u>you</u> can help to make the world a better place.

Accept and Respect We are all different.

Respect people's feelings. Even if it does not mean anything to you, it could mean everything to them.
