

## Next Week in Nursery

### Week Beginning 28<sup>th</sup> March 2022

What we will be doing in school	How you can help at home
<p style="text-align: center;"><b><u>Topic - Hooves, Claws and Paws</u></b></p> <p>We will learn about Spring and discuss what the children have observed.</p> <p>We will learn about Easter.</p> 	<p>Ask your child what they notice about the changing season. Look at the spring pictures below and talk about them together. What can you see?</p> <p>Talk to your child about the festivals and traditions that you celebrate. What traditions do you have?</p>
<p style="text-align: center;"><b><u>English</u></b></p> <p>We will explore rhyming words.</p> <p>We will read stories about springtime/Spring animals and Easter</p>	<p>Read rhyming stories and sing rhymes with your child.</p> 
<p style="text-align: center;"><b><u>Maths</u></b></p> <p>We will practise counting and recognising numerals.</p> 	<p>Encourage your child to count anything and everything! If you would like, print one or both of the pictures below to colour and count!</p>
<p style="text-align: center;"><b><u>Other</u></b></p> <p>We will be egg-hunting, egg and spoon racing, making chocolate nests and preparing for Easter.</p>	

## Next Week in Nursery Week Beginning 28<sup>th</sup> March 2022

It is the WWF Earth Hour on Saturday 26th March at 8.30pm to 9.30pm. Earth Hour is an international movement where millions of people show they care about the future of our planet by switching off their lights to remind us that even small acts can make a big difference. Major landmarks around the world also switch off their lights too. One person can't always change the world but we can if we pull together and work as a team!

Look at some of these ways to help the planet!

Plant flowers for bees and other pollinators like butterflies and hoverflies.  
Recycle more - don't just dump everything in the bin.

Don't waste water - it takes energy to clean water.

Don't waste food - one of the world's big problems is good food being dumped.

Switch off the computer and tv - play with your toys, read or play outside.

Love nature - have fun by exploring your garden or the park.

Feed the birds in your garden.

Switch off the lights when you leave a room - it saves energy.

Swap or give away toys and books you don't want anymore - fun for someone else!

Think more, use less! Do I need this toy/huge glass of water/more paper?

**Design a poster or do one of the above as an Earth Hour gesture and please send us a photo for Instagram!**

The school Easter Bonnet parade is on Friday 1<sup>st</sup> April. Your child can bring and wear an Easter bonnet to school that day.

Last day of term- Friday 1<sup>st</sup> April

We hope you all have a wonderful Easter break and Happy Easter!
