How did exploring the value of  
Positivity guide your thinking and  
behaviour?

In March we will be exploring the value of

# Appreciation

# What does the word Appreciation mean?

**Thank You!**

# Appreciation

Praising  
someone for a  
job well done.

Feeling thankful  
for everything  
that you have.

Understanding  
that other people  
have done  
something for  
you.

# Appreciation

**Everybody  
likes to feel  
appreciated!**

**So everyone has  
the responsibility  
to show  
appreciation.**

# *Who do you appreciate?*

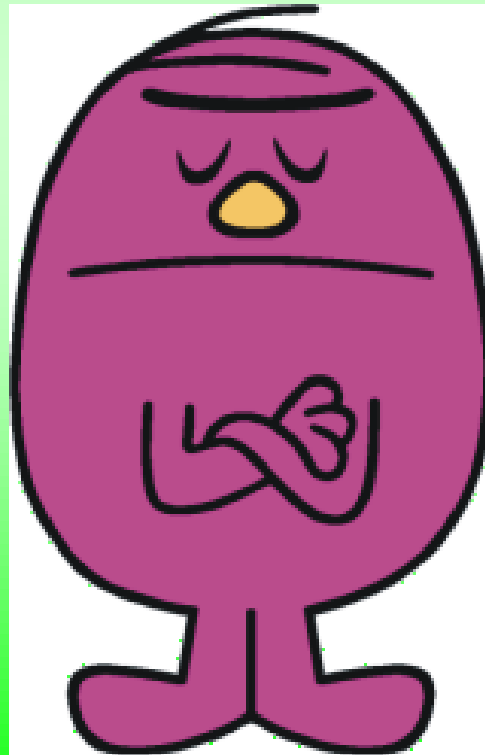

*How can you show someone that you appreciate them?*

**Thank You!**

*Watch what happens when you show someone that you appreciate them!*

What do you think would happen if no one showed any appreciation?

*Over the next month,  
recognise times when  
you have appreciated  
something or  
somebody...*

Be aware of the times  
when people show  
you that you are  
appreciated. How  
does it make you  
feel?

Think about things that you appreciate....your health, the food we have to eat, our school, a warm home, people who care about you, teachers who love you.

**WE ARE SO LUCKY!**

**A person  
who feels  
appreciated  
will always  
do more  
than what is  
expected.**

A MOMENT OF  
GRATITUDE  
MAKES A  
DIFFERENCE  
IN YOUR  
ATTITUDE.
