

Next Week in Year 2

Week Beginning 23rd May 2022

Reminders for this week:

Outfit swap for Jubilee – bring in any smart clothes that your child has grown out of and swap for something new!

Friday – Jubilee Day. The children can come dressed in their party clothes ready for a royal celebration! In the morning the children will have some in class activities and then in the afternoon the children will be playing games from the past 70 years, have a sing-a-long with Mr Grimes and have a Jubilee picnic!

Upcoming Trips:
Monday 13th June – Crystal Palace

What we will be doing in school	How you can help at home
<p><u>Maths –</u></p> <p>Next week the children will be going over properties of shape and money. We will be linking these activities to the Jubilee and creating a new palace for the Queen using shapes as well as using coins to plan our jubilee party!</p> 	<p>Let your child play with money and coins at home. Set up a 'home shop' where they can come and buy some goodies. Talk about the value of the coins and how you can make up different amounts using different coins.</p> 
<p><u>English – Letter writing</u></p> <p>Next week the children will be writing a letter to Her Majesty the Queen on her amazing achievement of 70 years as our monarch.</p>	<p>Can you find out some of the amazing things the Queen has done during her time on the throne? The children will be focusing on her Queens Green Canopy initiative, can they create a poster to support the Queen in her campaign?</p> <p>Bring your posters in to display in school!</p>

Next Week in Year 2

Week Beginning 23rd May 2022

Topic- The Great Fire of London

History: Next week the children will be learning about the changes to London after the Great Fire. We will be learning about the impact of the fire and comparing the changes to London from before and after the fire.

PSHE: Next week the children will be learning about people in their community, who keeps them safe and who they can turn to if they need help. We will be teaching the children how to dial 999. This is a sensitive lesson and one we will make sure we teach with care. We will be giving the children scenarios where they would be phoning for help and letting them know how to do this.

Science: Next week the children will be observing the cress seeds we planted and making observations about what has happened to them and which seeds have germinated and started growing. The children will then write down their conclusions of what they found out.

PSHE

Have a discussion with your child about where they live. Do they know their full address if they had to call 999 or would they be able to find out easily, from a letter for example? If you have a mobile that has a locking device perhaps you can show them how to unlock to make an emergency phone call.

Please continue to read with your children during the week **and mark this in your child's reading record**. Or get them to do it 😊

The Year 2 Team
