Why should we value learning?

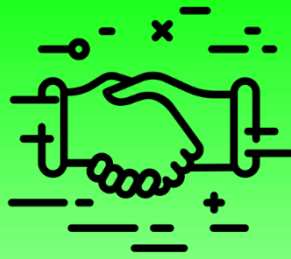

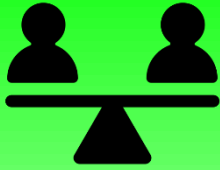

*A value is a principle
that guides our
thinking and
behaviour*

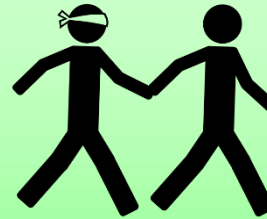

How does learning do this?

*Think for yourself!
What would the world be like if no one ever
learned anything?*

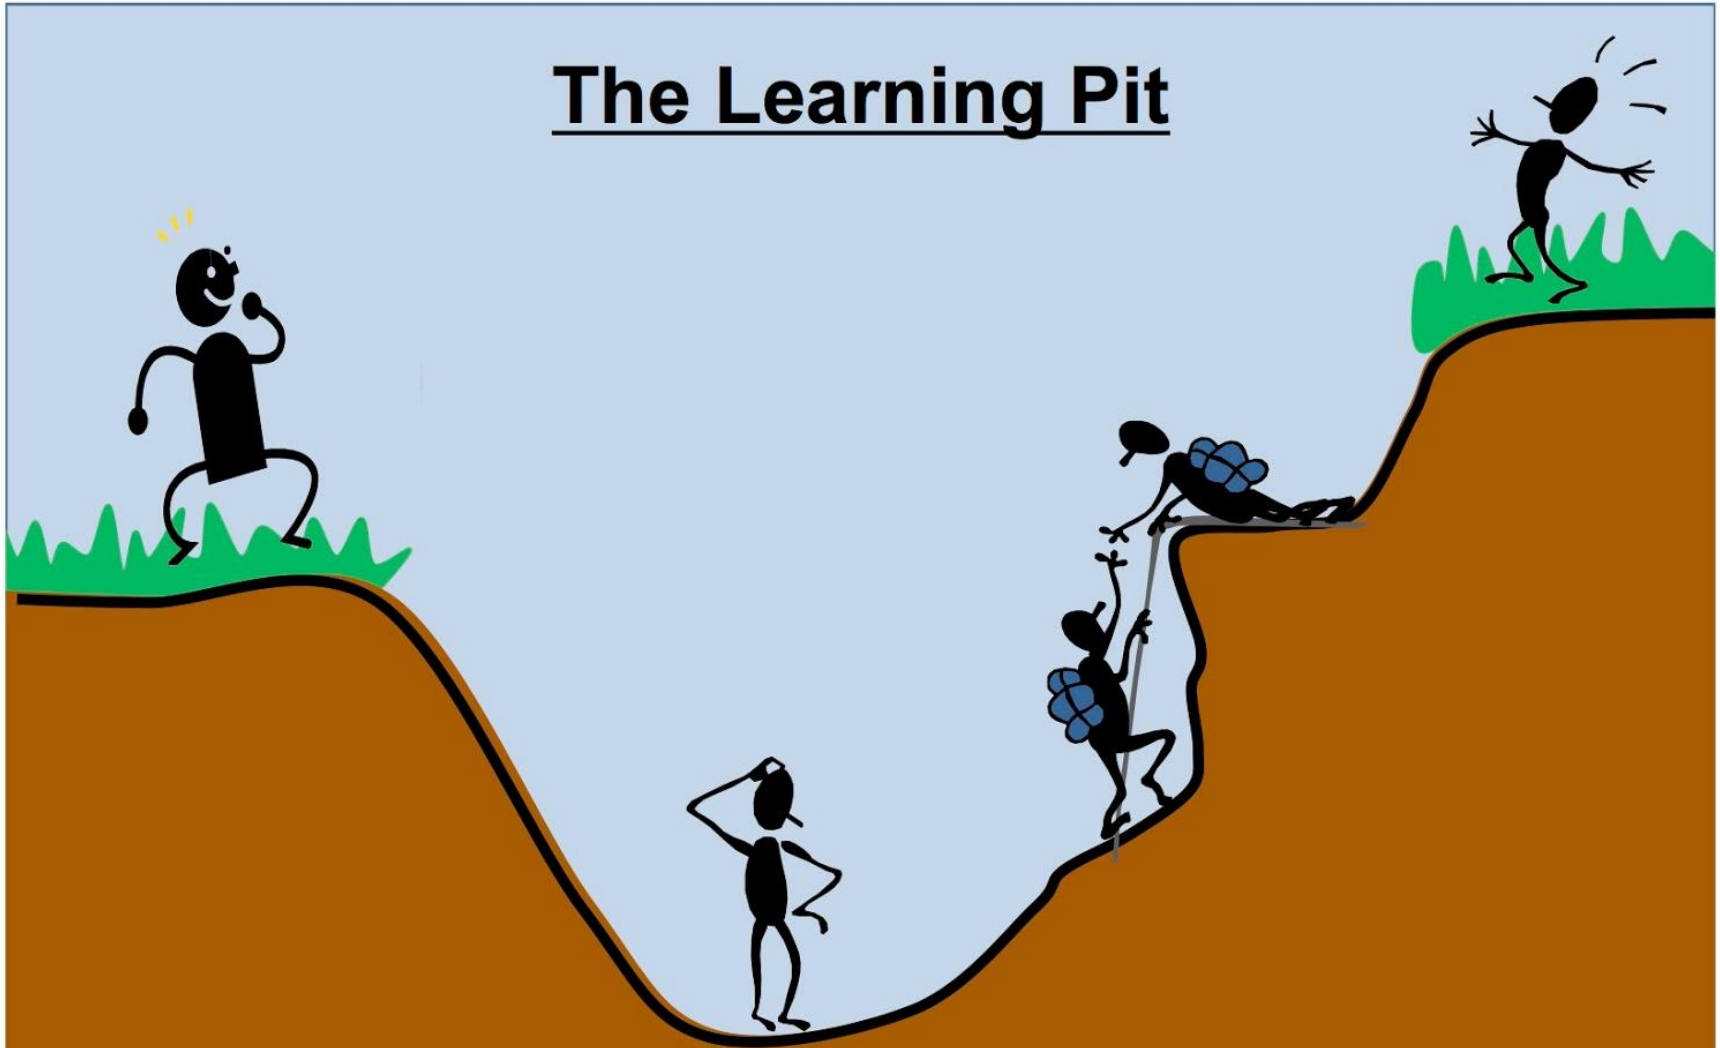

In the month of September,
think about how Learning
makes the world a better place
to be.

Over the next month
we will think about
how it feels to be a
learner- all of the
good feelings and the
not so good feelings!

We will think about
how you can help
other people if they
are finding learning
hard. We will
celebrate when our
friends learn.

THE MORE THAT YOU READ,
THE MORE THINGS YOU WILL KNOW.
THE MORE THAT YOU LEARN,
THE MORE PLACES YOU'LL GO.
