her friend to persevere
during astronaut training
when he wanted to give
up. At the end she said
'You tried your best and
didn't give up. That's all
that matters.

Our grown up winner is.....

Ms O'Brien, nominated by Yellow Class for living the values of positivity and perseverance. She unexpectedly had to cover the class when Ms Burr was poorly. She did not want a different teacher and she kept going with a big smile and made sure the children had all their lesson and a fun astronaut day.

In February we will be exploring the value of...

Develop Empathy for others

♥ Put yourself in other people's shoes

Q: How do they feel?

Q: What would make them feel better?

*A value is a principle
that guides our
thinking and
behaviour*

*How does Empathy
do this?*

What would
happen if we did
not value
Empathy?
