What we will be doing in school	How you can help at home
<p style="text-align: center;"><u>Topic - Help!</u></p> <p>We will learn about how medical staff help us, including doctors, nurses and paramedics.</p>  <p>We will discuss our experiences at a doctors' surgery or hospital.</p> <p>We will also begin to learn about how police officers help us.</p>  <p>We will act as detectives to find missing objects.</p> 	<p>Watch programmes such <i>Get Well Soon</i> on CBeebies and read information books about medical staff.</p> <p>Discuss visits to the doctor, nurse or hospital that your child has experienced. What was the reason for the visit? How did the doctor or nurse help?</p> <p>Discuss how police officers help us.</p> <p>Look out for police cars and other police vehicles. What colours are they? Do they have a siren or flashing lights on?</p> <p>If you have a job that involves helping others or you would like tell the children about, please let us know if you would be interested to come in or attend remotely via Zoom.</p> <p>Thank you!</p>

Next Week in Nursery

Week Beginning 15th January 2024

Literacy

We will read information books about different medical occupations such as doctors, nurses and paramedics.

The children will be role playing in a doctors' surgery and outside as paramedics.

They will make *Get Well Soon* cards.

We will begin to explore rhyming words. Rhyming words are words that end in the same sounds. e.g. cat and hat.

Read stories or information books about people who help.

Look out for ambulances and discuss why they are in a hurry if they have a siren or flashing lights on.

Think of a pair of words and ask your child to repeat them. Then ask do those words rhyme? e.g. dog, log, you say them. Do they rhyme?

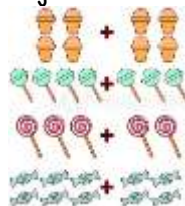

Maths

We will combine two groups of objects to find the total.

We will recap our learning about positional language, such as 'behind', 'next to', 'in front of', 'above', 'below'.

Encourage your child to count two groups of objects such as sweets to find the total.

Count each group separately then count them all together.

Play Hide and Seek with your child. Encourage them to use positional language to describe their hiding place.

Week Beginning 15th January 2024

Additional learning

We will pour and mix coloured 'medicine' (water) into bottles and other containers in the water tray.

We will create various crafts and pictures of emergency vehicles.
