## Next Week in Nursery Week Beginning 29<sup>th</sup> January 2024

### Maths

We will practise recognising numbers and counting objects.

We will match numerals to 10, then 20, finding the fireman with the number 1 and matching it to fire number 1.

Look out for numbers all around you e.g. on doors, buses, road signs.

Count, count and count some more!

### Additional learning

We will learn about fiery colours and create fire paintings using our hands!

We will drive to fires using the bicycles and scooters and pretend to put them out!

We will use the BeeBots (small programmable robots) and lead them from the fire station to the fire and around the town.

We will create magic themed crafts such as magic wands!
