

Next Week in Nursery Week Beginning 11th March 2024

What we will be doing in school	How you can help at home
<p style="text-align: center;"><u>Topic - Hooves, Claws and Paws</u></p> <p>This week is Science Week - this year's theme is Time.</p> <p>We will explore shadows at different points of the day and explore some science experiments which involve changes over time.</p> <p>We will continue to talk about our topic and start to think about different types of animals and where they live.</p>  <p>We will talk about the ducks that hatch and think about "life cycles".</p>	<p>Ask your child to describe the differences between day and night. Discuss the changes of each season.</p> <p>Can you find out about the life cycle of any other creatures such as a frog or butterfly?</p> 
<p style="text-align: center;"><u>Literacy</u></p> <p>We will read stories and information books about ducks, snakes and other animals that hatch from eggs.</p> 	<p>Continue to read stories with your child at home. Can they answer questions about what happens in the story? Can they make predictions about what will happen next? Which characters are in the story?</p>
<p style="text-align: center;"><u>Maths</u></p> <p>We will practise counting and recognising numerals.</p> 	<p>Encourage your child to count anything and everything!</p>

Next Week in Nursery Week Beginning 11th March 2024

Additional learning

We will have real eggs in an incubator at school and watch as they hatch - what will they be?

We will celebrate Science Week along with the school and go to a Silly Science Assembly to watch some fun experiments!

We will dress up in red and take part in fun activities for Red Nose Day/Comic Relief!
