

Next Week in Nursery Week Beginning 6th May 2024

What we will be doing in school	How you can help at home
<p style="text-align: center;"><u>Topic - Get Set, Grow</u></p> <p>We will continue to learn about how different vegetables grow.</p> 	<p>Help your child to find how where less familiar fruit and vegetables grow. Perhaps you could try to grow these at home!</p>
<p style="text-align: center;"><u>Literacy</u></p> <p>We will read different versions of Jack and the Beanstalk including Kate and the Beanstalk.</p>  <p>We will retell the story of Jack and the Beanstalk using small world story toys.</p> <p>We will continue to practise listening to what sounds go together to make words through songs and games.</p>	<p>Continue to explore books about plants and vegetables with your child, both fiction and non-fiction. You could also go to a garden centre to look at plants.</p> <p>Observe the cress seeds we planted at school. What is happening? What does your child notice?</p> <p>Play games where you sound out words. For example, you could sound out the words for objects in your home such as b-oo-k for your child to find.</p>
<p style="text-align: center;"><u>Maths</u></p> <p>We will practise counting.</p> <p>We will match numbers and quantities as we count magic beans.</p> 	<p>Play games that involve counting such as Hide and Seek.</p> <p>Say a number between one and ten. Ask your child to show that quantity of fingers. You could play a tidy up game where you say or show a number. Your child can then put away that number of toys!</p>

Next Week in Nursery Week Beginning 6th May 2024

Additional learning

We will continue to play in our Fruit and Vegetable role-play shop, writing shopping lists, using toy money and using the tills.

We will plant beans with Zara.

The Nursery Team 😊
