

Next Week in Nursery
Week Beginning 13th May 2024

What we will be doing in school	How you can help at home
<p style="text-align: center;"><u>Topic - Get Set, Grow!</u></p> <p>We will continue to explore our topic, Growing, by thinking about how some animals grow and change. In particular, we will focus on the frog lifecycle.</p> 	<p>Look out for frogspawn in ponds and talk about what it is. Talk about what tadpoles are and what they will become. Read stories about frogs.</p> <p>Talk about other animals and how they grow and change.</p> 
<p style="text-align: center;"><u>Literacy</u></p> <p>We will read The Teeny-Weeny Tadpole and other tadpole and frog stories, including information books.</p>  <p>We will practise pairing rhyming words.</p> 	<p>Read stories about baby animals and other creatures that grow and change.</p> <p>Play rhyming games with your child, encouraging them to think of real or nonsense rhyming words.</p>

Next Week in Nursery Week Beginning 13th May 2024

Maths

We will practise number recognition, trying to match the correct numeral to the number name.

We will be counting up and down, starting from different numbers, for example, 5, 6, 7, 8, 9, 10.

Look out for numbers around you, what numbers are on your front door? Can you name them? Which numbers can you see on buses and street signs?

Have a go at placing objects onto numbers and see if you can count out the correct amount to match each number.

Additional learning

We will move like frogs and practise jumping between different places and numbers.

We will think about Mental Health Awareness week with a mindfulness session in the nature garden. This year's theme is Moving.

The Nursery Team 😊
